Connecting the Petroleum: Alpha to Omega

About PetroConnect 2020

It gives us a profound pleasure to welcome you to Global Meet on Petroleum and Natural Gas (PetroConnect-2020), which is scheduled to be held in Lisbon, Portugal during February 27-29, 2020. PetroConnect will provide a premier platform for result-oriented discussions on petroleum technology, energy policy, and natural gas. The conference brings together Energy Industry leaders, Academic Deans, Department Directors, Senior Government Officials and top executives across the globe to lead the conversation in exploring greatest opportunities. The theme of our conference is “Connecting the Petroleum: Alpha to Omega” and sessions have been designed to offer holistic approach to address current issues in the field of Petroleum and Natural gas.

We convene to acknowledge that the oil and gas industry is facing various challenges to achieve technological innovation and also to provide a platform to explore how we can accelerate the development, advanced technologies in oil and gas, crude oil investments in the research development, competitive economies and deployment of latest technologies. Collaborating with PetroConnect offers a unique opportunity to be aware of the best practices and solutions.

Portugal is consistently positioned as one of the best and most affordable travel destinations in Europe. Portugal remains the world’s best tourist destination and it has superb climate, novel culture, excellent view and wonderful people.

One of the biggest cities in Portugal is Lisbon, and it is a great place to host the most spectacular cultural, scientific and business events. Lisbon is the capital town of the Portugal. The place displays multifaceted diversity in terms of culture, food, music and is really unique. It is filled with attractions Tower of St Vincent, Alfama, Lisbon Oceanarium, Jerónimos Monastery, Romanesque cathedral, St. George’s Castle, Bairro Alto, Praça do Comércio etc.

About the Organizer

Yuktan Technologies Pte Ltd is an expert-driven initiative with a vision to:

- Identify and bridge gaps in knowledge by creating and implementing new scientific and technologyspecific platforms, forums and products to discuss bottleneck issues and incorporate recent research advances.
- Publish and promulgate innovative research findings with an ethical and stringent review process to make a step-change in the fields of science and technology.
- Partner business and science for the translation of scientific discoveries and innovative ideas into implementable solutions and products which benefit mankind. The **Yuktan** team is committed to work together to create network which delivers the best scientific solutions and contributes top services to the scientific community.

Organizing Committee

Mohamed Sassi
Khalifa University
United Arab Emirates

Abdulrazag Y. Zekri
UAE University
United Arab Emirates

Rafiq Islam
Emertec Research
and Development Ltd
Canada

**Daria Karasalihovic
Sedlar**
University of Zagreb,
Croatia

Anjan Ray
Director, CSIR –
Indian Institute of
Petroleum, India

**Mohammed Darsi
A. Nedham**
General Manager of
Exploration at PEPA
Yemen

Scientific Sessions

- ▶ Reservoir Engineering & Simulation
- ▶ Petroleum Geology and Geo-Physical Exploration
- ▶ Advance Drilling Technologies and Safety
- ▶ Advances in Petroleum Engineering
- ▶ Transporting Oil and Natural Gas
- ▶ Unconventional Resources
- ▶ Petroleum Economy
- ▶ Well Testing, Design and Analysis
- ▶ PetroChemistry & Petrochemical Engineering
- ▶ Enhanced Oil Recovery and Refining
- ▶ Emerging Technologies in Oil and Gas
- ▶ Future Energy Systems
- ▶ R&D and Innovations for Hydrocarbon Production
- ▶ Health, Safety and Environment
- ▶ Natural Gas Engineering
- ▶ Conventional and Advanced Fuels

Dates to Remember

- * Conference Dates: **February 27-29, 2020**
- * Early Bird Registration Ends: **Before May 15, 2019**
- * Mid Term Registrations Ends: **August 08, 2019**
- * Late Registrations Ends: **November 20, 2019**
- * Final Registration Till: **February 27, 2020**

Group Discounts

Groups of three or more will receive a Special discount by using the group code.
If you have any questions please contact us at committee@petroconnect.org

Registration

All participants, except non-attending co-authors, must pay the appropriate registration fee.

Category	Academic	Business	Delegate	Young Scientist
Early Bird Registration Before May 15, 2019	€ 399	€ 499	€ 449	€ 249
Mid Term Registration August 08, 2019	€ 499	€ 599	€ 549	€ 349
Late Registration Before November 20, 2019	€ 599	€ 699	€ 649	€ 399
Final Registration February 27-29, 2020	€ 699	€ 799	€ 749	€ 449

To register online <http://www.petroleumconference.yuktan.com>

Registration includes

- Access to main conference sessions, exhibits, poster sessions and round table discussions
- Conference material
- Lunch, tea / coffee breaks during the conference days
- WiFi in meeting rooms

• Sponsorship •

Support the event and take the advantage of getting connected with your target audience!

The **Yuktan Technologies Pte Ltd.** organizes interdisciplinary international conferences to showcase on cutting-edge basic and applied research outcomes within life sciences including medicine and other diverse role of science and technology in society.

PetroConnect 2020 three-day conference will give attendees a chance to interact, learn, and engage with the business leaders and industry's foremost researchers, while tackling the pressing issues that face the new generation. Participants will be top level representatives from sectors like prominent commercial; regulatory; scientific organizations and academic institutes.

Prism Scientific Services Pty Ltd. offers several opportunities for sponsors to demonstrate their support towards science and its people by providing financial contributions to facilitate the presentations of noble research findings, hospitality and other necessary management for the scientific gathering.
